

BRIDAL SHOWER DECOR CHECKLIST

A Planning Guide for a Beautiful and Memorable Celebration | Well Chosen Weddings

A Note From Chris

When it comes to styling a beautiful bridal shower, remember that less is almost always more! Guests will always remember the atmosphere, warmth, and comfort of a space far more than a hundred perfect decorations. Instead of wearing yourself out trying to decorate every single inch of the venue, focus your energy on a few high-impact focal points. It creates a stunning visual rhythm and leaves you with plenty of time to enjoy the celebration.

*Warmly,
