

WEDDING WELCOME BAG CHECKLIST

A thoughtful curation guide to greeting your loved ones in style.

A Note From Chris

Welcome bags are your very first opportunity to wrap your traveling guests in hospitality the moment they check into their rooms. They have journeyed to celebrate you, and a beautifully arranged welcome parcel lets them know just how grateful you are for their presence.

You don't need to overcomplicate it! Focus on a balance of true essentials (like logistics and hydration), a few savory or sweet treats, and a tiny dash of local flair that highlights the unique character of your wedding destination.

Use this interactive checklist to stay organized as you assemble your gifts. It's a small detail that leaves a massive impression, leaving your family and friends feeling deeply cared for from day one.

Wishing you a stress-free planning journey,

Chris Ramsay
